

2022 Ashtabula Downtown Christmas Tree Competition

The sparkles and twinkles of the Christmas trees in LCPL Kevin Cornelius Park has become the cornerstone of the ADDA's Christmas festivities. Ashtabula downtown storefronts will be adorned with tinsel and lights! We are hoping to create a very special Christmas shopping and strolling atmosphere, for all to enjoy.

We invite your business or organization to be a participant in this year's Christmas tree competition. The tree competition is a fun and festive way to create teamwork and camaraderie in your organization. We encourage creativity and innovation!

Eight (8) trees will be donated by Manners Christmas Tree Farm. Spence Contracting has donated their resources to pick-up, deliver, and with the help of volunteers, set up the trees in the park. The City of Ashtabula will donate their services to make this entire event a huge success!!!

A sign will be placed in front of each tree with the name of the sponsoring organization.

Contestants may begin decorating their trees starting Sunday November 6th until 3pm Friday November 18th.

A Christmas tree lighting ceremony will be held Friday November 18th at 6:00pm (Parade night). Each tree sponsor will be introduced and invited to the gazebo stage to describe the theme of their tree.

There will be two opportunities for your tree to win. 1. After the tree lighting ceremony, the judges will select a winning tree, based on appearance, innovation and creativity. 2. A "people's choice winning tree will be selected based on public voting. A ballot box will be attached to the park gazebo for the public to place their ballots. Ballots will be tallied on December 5th.

A list of **all** tree sponsors will be promoted on the ADDA website/facebook pages. The winning tree sponsor will receive a trophy to hold for a year.

Let your creative juices flow!!! Trees will be available to decorate in the park beginning November 6th until 3pm Friday November 18th.

Please remove your tree decorations between December 27th and January 6th. The City cannot remove/discard decorated trees.

Note: The ADDA is not responsible for materials used to decorate trees. We encourage you to periodically check your trees to make sure they still have the winning touches throughout the competition. It's also the sponsor's responsibility to make sure their tree remains upright throughout the contest.
