Our Programs

About YBI

YBI is a **nonprofit** that focuses on developing successful digital businesses, advancing women & minority entrepreneurship and small businesses, and furthering advanced manufacturing technologies.

MBAC

Through a partnership with the Ohio Department of Development, the Minority Business Assistance Center (MBAC) of the Youngstown region serves the needs of small, minority-owned, women-owned, and socially and economically disadvantaged businesses. MBAC Youngstown services Ashtabula, Trumbull, Mahoning, Columbiana, Jefferson, Belmont, and Monroe counties.

Supply Chain Diversity

Focuses on increasing diversity in the supply chain, emphasizing minority-owned and women-owned businesses.

EVOLVE Technology

The Evolve Technology Program works directly with entrepreneurs with a tech-enabled (digital Saas, etc.) or tech-based (AM, IOT, IIOT, Robotics, etc.) startup idea.

Advanced Manufacturing

Building a new, advanced era of manufacturing. Our team of engineers is here to support technology integration into the manufacturing base.
